# Itinerary

1983, Tokyo Disneyland now offers exciting new attractions like Minnie's Style Studio and a Beauty and the Beast mini-land that stretches from Belle's village square to Beast's Castle. Don't miss out on the spectacular PhilharMagic show (revamped in Sept 2022) and new rides like The Happy Ride with Baymax! In between attractions, snack on a chewy Stormtrooper mochi or hot, fresh popcorn featuring flavors like curry, cookie cream, and garlic shrimp. Enjoy making fun memories today!

→ **Return to hotel** – The monorail will transport you back to the hotel when you decide to return and rest up for the next day's Disney adventure.

## Day 4: (Tues) Oct 10 - Tokyo DisneySea (B)

Day 4 - DisneySea

→ **Breakfast at hotel**

→ The day is yours at **Tokyo DisneySea** – the 4th most visited theme park in the world. Drift along the Mediterranean Harbor on a Venetian gondola, descend to the ocean's depths in the 20,000 Leagues Under the Sea submarine, explore caverns of mystery in a subterranean vehicle on the Journey to the Center of the Earth ride, navigate a watercraft in Aquatopia, set sail with Sinbad and Chandu in Sinbad's Storybook Voyage, play with Buzz and Woody at Toy Story Mania!, and so much more! Catch a show at the Magic Lamp Theater, showcasing the talents of Aladdin's Genie or marvel at the new Mickey & Friends Harbor Greeting "Time to Shine!" Fuel up with a gyoza dog, a tiramisu ice cream sandwich, or a tempura assortment plate. Have fun - Sea you later!

## Day 5: (Wed) Oct 11 – Disney-Kamakura-Tokyo (B)

→ **Breakfast at hotel**

→ **9:00am Meet guide at lobby** – Our morning begins with a 90 min drive to Kamakura, the political center of Japan during Minamoto Yoritomo's military government reign in 1192. Even after a century of the Kamakura government rule, it remained the center of Eastern Japan. Nowadays, Kamakura is sometimes referred to as the Kyoto of Eastern Japan with its numerous temples, shrines, and other historical monuments.

## Day 1: (Sat) Oct 7 - Honolulu Depart Honolulu 1:30pm via Hawaiian Airlines 863

→ Meet the Panda Travel representative **3 hours prior** to departure at the Hawaiian Airlines check-in counters.

## Day 2: (Sun) Oct 8 - Haneda-Disney

→ **5:10pm HA 863** Arrive at Haneda Airport

→ **6:10pm** Meet guide at arrival lobby/transfer to hotel

→ **7:00pm** Arrive at **Sheraton Grande Tokyo Bay Hotel** (Free WiFi) – Conveniently located, with monorail access to both Disneyland & DisneySea, this hotel is 10 mins away from the many shopping and dining options at Ikspiari. We'll be staying at this official Tokyo Disney Resort® Hotel for the next three nights.

## Day 3: (Mon) Oct 9 - Tokyo Disneyland (B)

→ **Breakfast at hotel**

→ **9:00am** Meet guide at lobby for the monorail ride to Tokyo Disneyland

→ **9:30am** – Join **Tokyo Disneyland** in celebrating its 40th anniversary this year! Debuting its largest expansion since

Day 5 - Great Buddha

→ **10:45am Great Buddha at Kotokuin Temple** – This mountainous bronze statue of Amida Buddha is located on the grounds of the Kotokuin Temple and stands at nearly 38 feet, making it the second tallest bronze Buddha statue in Japan. With its well-kept and gorgeously draped garments, it’s hard to believe that the statue has rested in the open air since 1495. For a small donation, visitors may enter the Buddha. Take a few moments to enjoy what many have called Japan’s National Treasure.

→ **12:15pm Komachi-dori Shopping Street** – Explore & grab lunch on your own. Be sure to stop by Kamakura’s famous cookie store for a sample. They’re best known for their dove-shaped butter cookies, which make for a great Kamakura souvenir and omiyage.

Day 5

→ **3:00pm CUPNOODLES Museum** – Our next visit is Yokohama with a stop at everyone’s favorite, Nissin’s cup noodles. Here, you’ll learn about the history and development of instant ramen noodles and peer into a replica shed of where it all started. Perhaps most thrilling is the hands-on workshop - **My cup noodle experience**, where you become both chef and artist. Not only do you get to craft your very own original cup noodle, and play with different soup flavor and topping combinations, you’ll also design your own cup.

If this museum is making you feel a bit hungry, drop by the Noodles Bazaar Food Court, designed to look like an Asian night market complete with the hawkers and traffic. There, you’ll get to choose from 8 different noodle dishes and canned drinks from around the world.

→ **5:30pm Arrive at Sunshine City Prince Hotel** – Our hotel lobby directly connects you to Sunshine City, a huge shopping and entertainment complex with 4 towers that include an aquarium, planetarium, solarium, a virtual reality

play experience, and a nearly 788 foot high skyscraper with an observation deck.

In addition to the renowned Pokemon Center Mega Tokyo, Sunshine City is also home to Namja Town, a food and dessert theme park. If you’re in the mood to shop, check out Tobu Department Store and Seibu Ikebukuro Flagship Store. Inside Seibu is the Kit-Kat Chocolatory, the world’s first Kit-Kat boutique. Don’t miss your chance to try special and seasonal Kit-Kat flavors like purple potato, cinnamon cookie, european cheese, bean cake and wasabi—these make for great gifts too!

Alternatively, Ikebukuro station is close by and has rail lines connecting you to other popular areas like Shinagawa, Shibuya, Shinjuku, Ueno, and Akihabara.

### Day 6: (Thu) Oct 12 - Tokyo (B/L)

→ **Breakfast at hotel**

→ **8:30am Meet guide at lobby**

→ **9:00am Tsukiji Outer Market** – A renowned bucketlist spot, Tsukiji is the largest fish market in the world. While the inner auction market relocated in 2018, the charm remains in its outer market. With the 90 mins we spend here, be sure to enjoy all that the outer market has to offer, from seasonal produce and candy tasting to knife-making artisan shops.

Day 6 - Ameyoko Shopping Street

→ **11:00am Ameyoko Shopping Street** – This is the absolutely perfect place to get your omiyage. “Ameyoko” is short for “Ameya Yokocho” or “candy shop back alley” since candies were traditionally sold there. Alternatively, it is short for “America,” a callback to the post-WWII era when American products were sold there illegally. Now, the street is lined with over 400 shops from cooked street food, snacks like dried squid, and fresh seafood to clothes, bags, accessories, cosmetics, and much more!

→ **12:45pm Japanese style lunch at a local restaurant**

→ **2:00pm Ueno Zoological Gardens** – Operating since 1882, this is the oldest zoo in Japan. It is a sanctuary to over 3,000 animals from 400 different species including elephants, Japanese macaques, and of course celebrity giant panda cub, Xiang Xiang. In 2017, Xiang Xiang was the zoo’s first baby panda to be born onsite and has been the object of media attention. In June 2022, Ueno Zoo welcomed the

birth of darling giant panda cub twins, brother Xiao Xiao and sister Lei Lei. Enjoy 2 hours to explore all of the zoo's many exhibits.

→ **4:30pm Return to hotel** – Enjoy your evening at leisure.

---

**Day 7: (Fri) Oct 13 - Tokyo -  
Free day at leisure (B)**

---

**Day 8: (Sat) Oct 14 -  
Tokyo-Haneda-Honolulu (B)**

→ **Breakfast at hotel**

→ **9:00am Meet guide at lobby**

→ **9:30am Meiji Jingu Shrine** – A Shinto shrine built in 1920 to honor Emperor Meiji, the first emperor of modern Japan, and his wife, Empress Shoken. Nestled in a forest with muffled sounds of the bustling city in the near distance, Meiji Jingu Shrine first welcomes visitors with an enormous wooden torii gate. As you journey through its massive grounds, you'll spot over 200 traditional sake and wine barrels neatly piled together, which famous sake breweries across Japan donated as a sacred offering to Emperor Meiji. The display also exhibits wine barrels imported from France as an ode to the emperor's love of wine and his dedication to spreading Western culture throughout Japan during the Meiji period.

You may also come across the Couple Camphor Trees. This pair of gigantic 100 year old trees is bound together with a shimenawa, a sacred rope, and represents lovebirds, Emperor Meiji and his wife. Many people visit this sacred spot for good luck, safety, and stability in their romantic relationships.

→ **11:00am Harajuku & Omotesando** – The heart of all things trendy and eccentric. More than just its colorful street art and its youth-driven quirky fashion culture, this area is

also a haven for sweets like gigantic cotton candy, crepes, and cream puffs. There is also a multi-story Daiso nearby.

→ **1:30pm Shibuya Sky** – An observatory offering a 360-degree view of Tokyo (there's a special spot to see Mt. Fuji on a clear day!), and over 200 commercial outlets with restaurants, cafes, and shopping. The tower also overlooks the famous and ever busy intersection, Shibuya Scramble Crossing. With giant video screens and neon signs as a backdrop to several hundreds of people walking in all directions at every light change, this "scramble" of people is surely a site to witness.

→ **3:00pm Divercity Shopping Center** – Located on the artificial island of Odaiba, this unique and massive landmark is one of the best shopping, dining, and entertainment complexes in Tokyo. Don't forget to take a moment to snap a photo in front of the famous Gundam Statue. Towering at nearly 80 feet high, this figure is the only life sized Gundam statue in the world. Enjoy some last minute shopping and sightseeing at this famous site!

→ **5:00pm Arrive at Haneda Airport**

→ **8:15pm Depart from Haneda Airport by HA864**

→ **8:45am Arrive in Honolulu** (same day)
