→ **2:15pm** – This afternoon begins with a visit to the **Suzuhiro Kamaboko Museum**, a historic mainstay of fish cake production since 1865. Uniquely, Suzuhiro is home to approx. 16 top-level ranked kamaboko professionals, the largest group of kamaboko craftspersons in the country. It is at this incredible facility where we’ll have a fun **Chikuwa making experience**. This spot is a “must see” in every guidebook and boasts over 30 million annual visitors. Traditionally, once you reach the top of the temple steps, you should clap twice and bow your head as a sign of respect. With the belief that coins trap the dangers of daily life, visitors also customarily make a small offering by tossing coins into a wooden rack, tossing away those dangers as well.

You’ll also find the **Five Storied Pagoda** there. Regarded as one of the “Four Edo Pagodas,” this nearly 174 foot monument stands to represent Tokyo’s few remaining pagodas.
