Don't miss out on the spectacular PhilharMagic show (revamped in Sept 2022) and new rides like The Happy Ride with Baymax! But the fun doesn't end there... drift along the Mediterranean Harbor on a Venetian gondola, descend to the ocean's depths in the 20,000 Leagues

Under the Sea submarine, explore caverns of mystery in a subterranean vehicle on the Journey to the Center of the Earth ride, and navigate a watercraft in Aquatopia. Fuel up with a gyoza dog, a tiramisu ice cream sandwich, or a tempura assortment plate. Have fun - Sea you later!

## Day 5: (Wed) Mar 18 – Disney-Yokohama (B)

JR East Hotel Mets Premier Yokohama Sakuragicho (Free Wi-Fi)

→ Breakfast at hotel.

→ 9:00am – Meet your guide at the hotel lobby. Our morning begins with a drive to Kamakura, the political center of Japan during Minamoto Yoritomo's military government reign in 1192. Even after a century of the Kamakura government rule, it remained the center of Eastern Japan. Nowadays, Kamakura is sometimes referred to as the Kyoto of Eastern Japan with its numerous temples, shrines, and other historical monuments.

→ 9:30pm – Featuring an array of exhibits that provide a glimpse into the locals' daily lives and cherished traditions, the Urayasu City Folk Museum showcases the rich tapestry of Urayasu City's past and present and stands as a beacon of cultural heritage and community pride.

→ 11:45am – Here we're at the Great Buddha at Kotokuin Temple. This mountainous bronze statue of Amida Buddha is located on the grounds of the Kotokuin Temple and stands at nearly 38 feet, making it the second tallest bronze Buddha statue in Japan. With its well-kept and gorgeously draped garments, it's hard to believe that the statue has rested in the open air since 1495. For a small donation, visitors may enter the Buddha. Take a few moments to enjoy what many have called Japan's National Treasure.

→ 1:15pm – Enjoy lunch on your own on Komachi-dori Shopping Street. Be sure to stop by Kamakura's famous cookie store for a sample. They're best known for their dove-shaped butter cookies, which make for a great Kamakura souvenir and omiyage.

→ 4:00pm – Our next visit is Yokohama with a stop at everyone's favorite, Nissin's CUPNOODLES Museum. Here, you'll learn about the history and development of instant ramen noodles and peer into a replica shed of where it all started. Perhaps most thrilling is the hands-on workshop - My cup noodle experience, where you become both chef and artist. Not only do you get to craft your very own original cup noodle, playing with different soup flavor and topping combinations, you'll also design your own cup.

→ 5:30pm – Arrive at JR East Hotel Mets Premier Yokohama Sakuragicho. Our hotel is located just a short walk from JR Sakuragicho Station, providing easy access to shopping areas and an array of nearby restaurants.

**Day 6: (Thu) Mar 19 –  
Yokohama-Free day at leisure (B)**

JR East Hotel Mets Premier Yokohama Sakuragicho (Free Wi-Fi)

→ **After breakfast, enjoy your free day to explore Yokohama!**

→ If you haven't yet visited the Minato Mirai area, be sure to check it out! It offers a vibrant mix of shopping, dining, and entertainment, including Cosmo World and iconic views from the Landmark Tower.

**Day 7: (Fri) Mar 20 – Yokohama-Tokyo (B/L)**

Keio Plaza Hotel (Free Wi-Fi)

→ **Breakfast at hotel.**

→ **9:00am – Meet your guide at the hotel lobby for Tokyo.**

→ **10:00am** – Our morning begins at the iconic **Tsukiji Outer Market**. A renowned bucketlist spot, Tsukiji is the largest fish market in the world. While the inner auction market relocated to Toyosu in 2018, the charm remains in its outer market. Be sure to enjoy all that the outer market has to offer, from seasonal produce and candy tasting to knife-making artisan shops.

→ **12:00pm – Enjoy a Japanese-style lunch at a local restaurant.**

→ **1:15pm** – We are now at **Ueno & Ameyoko Shopping Street**, the perfect place to get your omiyage. "Ameyoko" is short for "Ameya Yokocho" or "candy shop back alley" since candies were traditionally sold there. Alternatively, it is short for "America," a callback to the post-WWII era when American products were sold there illegally. Now, the street is lined with over 400 shops from cooked street food, snacks like dried squid, and fresh seafood to clothes, bags, accessories, cosmetics, and much more!

→ **3:15pm** – Later today, we'll visit **Asakusa's** iconic **Sensoji Temple** and **Kaminarimon Gate** (aka "Thunder Gate") with its massive lantern. This spot is a "must see" in every guidebook and boasts over 30 million annual visitors.

You'll also find the **Five Storied Pagoda** there. Regarded as one of the "Four Edo Pagodas," this nearly 174 foot monument stands to represent Tokyo's few remaining pagodas. As you roam through the temple grounds, you'll come across the **Nakamise Shopping Arcade**, a lively and extensive shopping street lined with good luck charms, traditional goodies, and Japanese snacks.

→ **5:30pm** – Arrive at **Keio Plaza Hotel**, conveniently located just a short walk to Shinjuku Station. Enjoy the evening at leisure!

The garden is divided into three distinct sections: the traditional Japanese landscape garden with serene ponds, islands, and bridges; the French garden, renowned for its romantic atmosphere and abundant flowers like roses; and the English landscape garden with expansive open lawns surrounded by flowering cherry trees.

→ **11:30am** – Next, a visit to a reality-bending magic at **teamLab Planets Tokyo**. Using technology and perspective, this immersive museum takes visitors through labyrinth-like rooms filled with flower fields, interactive play areas where you can catch digital animals, jump on pod blocks, and experience other mesmerizing digital art displays.

→ **2:00pm** – Located on the artificial island of Odaiba, **Divercity Shopping Center** is a unique and massive landmark that is one of the best shopping, dining, and entertainment complexes in Tokyo. Don't forget to take a moment to snap a photo in front of the famous Gundam Statue. Towering at nearly 80 feet high, this figure is the only life sized Gundam statue in the world.
