→ Breakfast at hotel.

→ 9:00am – Meet your guide at the hotel lobby this morning for Yufuin & Beppu.

→ 9:45am – Our day begins with a visit to the **Dazaifu Tenmangu Shrine**. This shrine is one of Fukuoka's most popular destinations, with over 2 million visitors during the first 3 days of the new year. Dedicated to Sugawara-no Michizane, a famed prodigy in politics, literature, and poetry, this shrine honors Michizane as the god of academic achievements and is an especially sacred spot for Japanese youths from all over the country to pray for academic success during exam season.

→ We'll then take a drive to Yufuin, a picturesque hot spring town in Oita Prefecture.

→ 1:00pm – Here we are in the enchanting **Yufuin district**, a popular destination for travelers. In addition to a well-preserved collection of ryokans and onsens, Yufuin boasts many enjoyable restaurants, cafes, and snack shops. Take time for lunch on your own and delight in local cuisine like Oita-style chicken and traditional sweets.

→ 2:30pm – Step into the fairy tale world of **Yufuin Floral Village**. Drawing its inspiration from the quaint villages of the Cotswolds in England, this charming mini theme park has souvenir shops, an Alice in Wonderland-themed cat cafe, an owl forest zoo, and more delightful attractions!

→ 3:30pm – Now off to **Lake Kinrin**, one of Yufuin's most famous landmarks. Hot spring waters and fresh water flow together naturally to create the unique phenomenon of steam rising from the lake's surface in the early fall

and winter mornings. The lake's clear, mirror-like waters and surrounding natural landscapes make for a truly mesmerizing scene; it's no wonder that legend tells of a dragon that used to reside in this magical lake.

→ 5:00pm – Arrive at **Suginoi Hotel**, followed by a **buffet dinner at 6:30pm**. Our hotel features stunning views overlooking Beppu Bay and world-renowned hot springs, which are fed by the region's natural geothermal activity. Spend some time unwinding in the hotel's several indoor and outdoor hot spring baths and soak in the therapeutic benefits of the natural waters. To maximize our stay, we've reserved the newly constructed Sora Tower (opened Jan 2023).
